Monday, 11 December 2017

Dear parents/guardians and students,

When I wrote to you on 16 November last regarding the move to our new school I made it clear that the date of the move - 15 December - was "conditional upon the completion of all construction work and health and safety checks over the coming weeks. Any factor causing a delay will have a knock-on effect on (that) timeframe".

I now write to advise you that the move has been re-scheduled for the week beginning Monday, 15 January 2018 due to a delay in construction and final health and safety checks.

This means that we will operate from the existing school in Spawell Road until mid-January.

Whilst this may cause some disappointment, I would like you to know that all staff were extremely impressed by the new building when they completed a walk-through and some safety training there last Friday. It is hoped that our students will have a similar reaction when they finally get to see their new school in the coming weeks.

I shall write to you early in January with more precise details of the move to Pembroke Hill.

Please feel free to contact me should you have any questions or comments in relation to these matters.

Kind regards,

Yours faithfully,

Billy O' Shea,
Principal.
