Dear parents/guardians and students,

I write to let you know that our target date for making the move to our new school at Pembroke hill is now Monday, 19 February 2018.

This latest delay is caused by two factors:

1. Agreement has not yet been reached with regard to the management of the buildings and facilities into the future following the liquidation of the Carillion Company. Whilst these negotiations are progressing well they have not yet reached a conclusion that provides the school with the certainty that is required at this time.
2. The school has to have regard to its 240 students who will be sitting their mock examinations in the two week period beginning next Monday and to staff who are involved in the organisation of same. It is essential that any uncertainty over examination centres be eliminated so that students involved will be able to focus properly on forthcoming examinations.

I shall keep you fully informed of any other developments in the coming weeks.

Please feel free to contact me should you have any questions or comments in relation to these matters.

Yours faithfully,

Billy O' Shea,
Principal.
