Tuesday, 26 June 2018

Dear parents/guardians and students,

I write to inform you of the updated position regarding our new school at Pembroke Hill.

A new contractor, Woodvale Construction from Omagh, Co. Tyrone, has been appointed by the Public Private Partnership Company to complete the remaining work at our school. Because the amount of work involved is relatively small, it is expected that the new school will, after all, be ready for use by the end of August.

This development is warmly welcomed by the Board of Management as it brings clarity to what has been a very difficult situation over the past six months.

We now look forward to engaging with Woodvale Construction and the National Development Finance Agency in the coming weeks to ensure that the doors of our fantastic new building will be open to Loreto students, staff and parents from Monday, 27 August 2018.

I shall keep you informed of further developments.

Kind regards,

Yours faithfully,

Billy O' Shea,  
Principal.
