Dear parents/guardians,

The issue of internet safety is of particular concern at the moment. With this in mind, the school has organised workshops for all 1st year students around this topic. They will take place in school on Monday, 8 October 2018. These workshops will deal with appropriate content, the dangers of the internet and cyberbullying. The workshop will be facilitated by an organisation called 'Zeeko'.

By way of follow-up, there will be an evening seminar for parents, on the same date. This event will start at 5.45 p.m. and will discuss a range of topics related to internet safety. It will last for approximately 1.5 hours. The venue will be the school's General Purpose area.

We feel that this will be a worthwhile event and we would like to invite as many parents as possible to attend. The seminar is open to parents of students in all year groups in the school.

If you have any further comment in relation to any of the above, please feel free to contact the undersigned.

Yours faithfully,

John Mc Ginnity and Chris O' Reilly,
Deputy Principals.
